

## Coalition of Persons with Disabilities

Newfoundland and Labrador

The Coalition of Persons with Disabilities - NL (COD-NL) was established in 1983. We are a not-for-profit, charitable organization with a mandate to:

- Educate all people by changing attitudes concerning the rights of persons with disabilities;
- Influence regulations, laws, and actions at all levels of government to ensure that all persons with disabilities have opportunity to participate fully in society;
- Involve Coalition members and all persons with disabilities in influencing change.

COD-NL works with the Government of Newfoundland and Labrador to create a barrier-free and inclusive society for all.

## Guidelines for Accessible Parking Permit Holder

- The permit is issued to the person who requires it, not to a specific vehicle. Only one permit is issued per person.
- A permit can be used in any vehicle that the permit holder is a passenger in, but is not transferable and cannot be loaned to anyone else for use. It is illegal to use a permit not issued to you.
- A permit may be laminated.
- A permit must be displayed in the windshield of a vehicle occupying a designated accessible parking space.
- For proper identification, the permit number and expiry date must be visible.
- The permit should be surrendered to the Motor Registration Division when it is no longer required by the holder or when requested to do so by department officials.

- Requesting the renewal of a permit is the responsibility of the permit holder.
